

Dear Citizen and Taxpayer:

In order to provide you with the best possible service, the following rules are in effect that apply to your request to view or obtain copies of public information. Because it takes valuable time and the Town does incur some expense, the first five pages copied will cost 10 cents per page. **All copies of your request for information above 5 pages will be \$1.00 per page and will be available by 3:00 p.m. three (3) working days after your written request.** We can put information on computer disc for \$5.00 per disc. If your request involves an information search from our archives, you will be charged an hourly research fee. Copies of Town Council minutes will be available by 3:00 p.m. three (3) working days after approval by the Town Council. Please provide your name, address, telephone number and purpose for securing copies below so that if the copies are ready before the end of three working days, we will gladly give you a call to inform you of this. In order to facilitate our search, please be as specific as possible in describing which document(s) you would like copies of. Thank you for your understanding in this matter:
